

Hope Afloat Canada

Are you a breast cancer survivor? Do you like being outdoors having fun and getting fit at the same time? If so, you might consider trying dragon boat paddling. We practice paddling in the picturesque Comox Bay in a 48-ft. dragon boat from April to September. Your level of fitness is not a factor in becoming a member. Our annual membership fee is only \$50.00 which includes the use of a paddle, lifejacket, uniform and free boat rental for our practices. We typically practice an hour on Tuesday and Thursday evenings, weather permitting. We offer a complimentary paddle to any breast cancer survivor who would like to try it out.

If you would like to make a few new best friends, all of whom are “in the same boat”, please contact us by telephone (Deb 898-7801 or Marcy 338-2112) or by checking out our website at www.hopeafloatcanada.ca . You’ll be glad you did!
