

Hope Afloat Tag Day Sat.

Hope Afloat, Canada's Breast Cancer Dragon Boat Team, is holding their annual tag day on Saturday, Oct. 23, in hopes to raise funds in purchasing a cryostat machine for St. Joseph's Hospital.

A cryostat is a key device in diagnosing cancer patients for it determines if cancer cells are present. With the Hope Afloat tag day fundraiser, this machine will be replaced with a more modern accurate model.

So come and support the Hope Afloat's team on Saturday from 10 until 2 at Extra Foods, Thrifty Foods, Overwallca (Save-On), Canadian Tire, Home Depot and Wal-Mart.

For further information please call 338-2112.
